Deputy Ivana Bacik,
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

Dail Question No: 29

To ask the Minister for Transport the number of vacant properties owned by bodies under his Department's aegis; the number of derelict properties owned by bodies under his Department's aegis; and if he will make a statement on the need to return them to use or dispose of them.

Dear Deputy Bacik,

Thank you for your query. daa has a high occupancy rate, with more than 95% of all property occupied at Dublin Airport. daa currently owns four vacant habitable properties. It is daa's intention that these habitable properties be occupied, and this is currently being advanced. daa owns fourteen derelict properties within the surrounds of Dublin airport, both airside (security restricted areas) and landside. All properties form part of current and future airport development plans and therefore will not be disposed of.

Kind regards,
