Dear Deputy Ó Snodaigh,

Thank you for your queries.

The information requested is commercially sensitive and cannot be disclosed. daa is a Commercial Semi State company, and unlike Public Sector Organisations, this distinction means that legitimate commercial concerns arise for daa that may not apply to bodies without a commercial mandate.

Notwithstanding this I can assure you that daa is committed to the achieving value-for-money in the acquisition of works, supplies and services. daa complies with relevant legislation, Code of Practice and internal governance set out in the Procurement Governance Framework and Sustainable Sourcing Guidelines. daa\_'s procurement practices are conducted with probity and integrity adhering to the core principles of accountability, competition, equality of treatment, fairness and transparency.

Furthermore, daa adheres to best practices in project management and governance to ensure that all expenditures are justified and

transparent. All projects are subject to oversight and control mechanisms to prevent and manage overspends. These include comprehensive planning, monitoring, and detailed reporting to ensure that any deviations from the budget are promptly identified and addressed.

We hope this provides clarity on our commitment to financial prudence and effective project management.

Kind regards,

Rebecca Troy,  
daa plc
