Deputy Moynihan,
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

Dail Question No: 266: To ask the Minister for Transport to review the DAAs policy to allow second drivers of taxis to pick up passengers at the airport campus; and if he will make a statement on the matter.

Dear Deputy Moynihan,

Thank you for your query

daa regulates the taxi stands at Dublin airport to ensure the provision of an efficient service while simultaneously respecting the terms and conditions applied to the taxi stand permit holders to help improve the passenger experience.

We have a target of 1,800 active drivers which has resulted in 93.5% of passengers getting a taxi in under 10 minutes and an average wait time of 3 minutes and 39 seconds per passenger.

daa issues all permits under the Airport Byelaws and they are personal to each licenced driver. daa assesses the requirements for drivers at the airport annually to establish if there are any permits not being used or underutilised and seek to reallocate these.

Kind regards,
