Deputy Donnelly,
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

Dail Question No: 303 To ask the Minister for Transport the number of permits the Dublin Airport Authority issued to taxi drivers to pick up customers at Dublin Airport in 2024 and to-date in 2025; the criteria that must be met prior to being issued a permit from the DAA; and the amount of revenue generated for DAA from issuing these permits in each of those years in question, in tabular form.

Dear Deputy Donnelly,

Thank you for your query.

daa has a target of 1,800 active permits at an annual cost of €300 each for 2024 & 2025. There is an option for drivers to pay bi-annually and in 2024 there was an option to pay bi-annually or quarterly (an additional fee was levied for this facility).

Occasionally we issue more than 1,800 permits when it is established that there are drivers that cannot meet the required level of activity.

Year	Number of Permits Issued	Total Revenue Collected
2024	1,863	€ 561,077.17
2025 Year to Date	1,749	€498,600.5

The criteria for permit awards are publicly available and outlined in the Dublin Airport Taxi Stand Operation Manual [here](#).
