***Dáil Question No: 493***

***To ask the Minister for Transport whether his Department or any agency operating under its aegis has, in the past five years, used reserved contracts or included social clauses in public procurement tenders; and if so, to detail the types of contracts or clauses used; and if he will make a statement on the matter.***

Dear Deputy Fleming,

Thank you for your query.

The requested information is commercially sensitive and cannot be disclosed. It is important to note that daa is a Commercial Semi State Organisation, and not a Public Sector Organisation. This distinction means that legitimate commercial concerns arise for daa that may not apply to some public bodies without a commercial mandate.

daa complies with relevant legislation, Code of Practice and internal governance set out in the Procurement Governance Framework and Sustainable Sourcing Guidelines. daa's procurement practices are conducted with probity and integrity adhering to the core principles of accountability, competition, equality of treatment, fairness and transparency.

Kind regards,
